Forging a Brilliant Future
Growth that Makes a Difference
Expanding our Capacity to Improve Lives

• Add 250 faculty
• Increase research expenditures to $500m annually
• Expand the health enterprise
• Cultivate research initiatives addressing social problems and global challenges
• Develop convergence science opportunities
• Broaden art, culture and humanistic inquiry
First in Class

Elevating the Student Experience to Prepare Future Leaders

• Expand the student body
• Foster teaching and learning excellence
• Utilize modern tools
• Integrate student life and educational experiences
• Develop nationally recognized Honors College

Ensure educational opportunities are engines for social mobility, impact and positive innovation
Great Partners
Making Regional and Global Connections

• Build an engagement culture
• Create a powerful Anteater-for-Life ethos that sustains alumni participation
• Strengthen partnerships with community organizations
• Develop with regional leaders a national model for living responsibly and well
• More broadly communicate and translate our discoveries and innovations
New Paths for Our Future
Forging Best Practices to Power the Coming Century

- Develop a sustainable financial plan
- Make fundraising a central feature of our academic planning and leadership culture
- Bolster and position staff to more effectively support the academic mission
- Expand, build and maintain an excellent physical infrastructure
- Ensure a high-quality, ubiquitous, secure and robust IT infrastructure
