Forging a Brilliant Future
Growth that Makes a Difference

Expanding our Capacity to Improve Lives

• Add 250 faculty
• Increase research expenditures to $500m annually
• Expand the health enterprise
• Cultivate research initiatives addressing social problems and global challenges
• Develop convergence science opportunities
• Broaden art, culture and humanistic inquiry
Expand the student body

Foster teaching and learning excellence

Utilize modern tools

Integrate student life and educational experiences

Develop nationally recognized Honors College

Ensure educational opportunities are engines for social mobility, impact and positive innovation
Great Partners
Making Regional and Global Connections

- Build an engagement culture
- Create a powerful Anteater-for-Life ethos that sustains alumni participation
- Strengthen partnerships with community organizations
- Develop with regional leaders a national model for living responsibly and well
- More broadly communicate and translate our discoveries and innovations
New Paths for Our Future
Forging Best Practices to Power the Coming Century

• Develop a sustainable financial plan
• Make fundraising a central feature of our academic planning and leadership culture
• Bolster and position staff to more effectively support the academic mission
• Expand, build and maintain an excellent physical infrastructure
• Ensure a high-quality, ubiquitous, secure and robust IT infrastructure
