Growth that Makes a Difference
Expanding our Capacity to Improve Lives

- Add 250 faculty
- Increase research expenditures to $500m annually
- Expand the health enterprise
- Cultivate research initiatives addressing social problems and global challenges
- Develop convergence science opportunities
- Broaden art, culture and humanistic inquiry
First in Class
Elevating the Student Experience to Prepare Future Leaders

- Expand the student body
- Foster teaching and learning excellence
- Utilize modern tools
- Integrate student life and educational experiences
- Develop nationally recognized Honors College

Ensure educational opportunities are engines for social mobility, impact and positive innovation
Great Partners
Making Regional and Global Connections

• Build an engagement culture
• Create a powerful Anteater-for-Life ethos that sustains alumni participation
• Strengthen partnerships with community organizations
• Develop with regional leaders a national model for living responsibly and well
• More broadly communicate and translate our discoveries and innovations
New Paths for Our Future
Forging Best Practices to Power the Coming Century

• Develop a sustainable financial plan
• Make fundraising a central feature of our academic planning and leadership culture
• Bolster and position staff to more effectively support the academic mission
• Expand, build and maintain an excellent physical infrastructure
• Ensure a high-quality, ubiquitous, secure and robust IT infrastructure
