### Extramural Funding (2013)

- Research awards: $300 million

### Annual Economic Impact on Orange County

$4.3 billion

### Acreage

- Campus: 1,478
- Medical center: 52
Did you know?

• UCI was the first public university in Nobel Prize history to have professors win in two fields during the same year. In 1995, Frederick Reines received the prize in physics for detecting neutrino particles, and F. Sherwood Rowland shared the chemistry prize for discovering that aerosol sprays were destroying the ozone layer.

• UCI has an annual economic impact on Orange County of $4.3 billion and is a significant contributor to the region’s talent-rich workforce.

• The first public law school to open in California in more than 40 years, the School of Law is ranked among the top 10 in the nation for its faculty’s scholarly impact.

• UCI ranks No. 3 on the Sierra Club’s list of top 10 colleges for environmental sustainability.

• The Donald Bren School of Information & Computer Sciences is the only ICS school in the University of California system.

• Alumnus Roy Fielding invented HTTP, the Internet abbreviation for hypertext transfer protocol.

• Irvine has been the safest big city in America for the past nine consecutive years, according to the FBI.

• UCI holds two Guinness world records: the largest dodgeball game, set in 2010 with 1,745 student participants, and one for the largest water blaster fight, set in 2013 with 3,875 participants.

• UCI ranks 11th in the nation among public universities for student happiness.
• UCI Extension annually offers more than 3,000 professional and personal enrichment courses.

• More than 58 percent of freshmen enrolled in fall 2013 were the first in their families to pursue a college degree.

• The UCI Libraries, the region’s largest information resource, draw more than half of their 2 million-plus annual visitors from outside the campus community.

**Distinctions**

• *Times Higher Education*, in June 2013 ranked UCI first in the U.S. and fifth in the world among universities less than 50 years old.

• UCI is one of the 62 universities in the U.S. and Canada elected to membership in the prestigious Association of American Universities.

• The campus is ranked 14th among the nation’s public universities and 49th among all national public and private universities, according to the *U.S. News & World Report*’s annual accounting of “America’s Best Colleges.”

• UCI ranks among the top 10 U.S. universities—public and private—in the number of undergraduate applications, and for fall 2013 the campus admitted one of the most academically competitive freshman classes in its history.

• *Kiplinger*’s annual list of best-value public colleges nationwide ranked UC Irvine 23rd for best overall value and 19th for lowest student debt.

• The Paul Merage School of Business is ranked No.1 in the world for percentage of female faculty (47%) and tied for No. 4 in the U.S. for percentage of female students (39%).
